

REMARKS

Claims 1-34 are currently pending in this application. Claims 1-3, 6-11, 13, 15-21, 23, 25, 27, 30, 32-34 are currently amended.

The Applicants believe that the current amendments are supported by the specification as filed. Specifically, the Examiner is referred to at least paragraph 0009 for a discussion of navigation history, paragraph 0031 for a discussion of user interface versions, and paragraph 0036 for a discussion of conflict resolution.

The Applicants believe that the amendments further differentiate the claims from the art cited by the Examiner.

CONCLUSION

Based on the above amendments and remarks, Applicants respectfully request the entry of the above amendments and submit that, as amended, all pending claims are in condition for allowance. Thus, the claims of the present application are believed to be allowable based on Applicants' above amendments and remarks. Upon entry of the above amendments and remarks, Applicants submit that the application is in condition for allowance, and respectfully request the issuance of a Notice of Allowability.

If the Examiner has any questions or would like to discuss this case, he is invited to contact the Applicants' undersigned representative at the number given below.

Respectfully submitted,

Allen E. Silky et al.
